## Summer Term News

Week ending 9<sup>th</sup> June

Our value for the month of June is  
"Trust".

Trust the LORD!

Be brave and strong and trust the LORD.

*Psalm 27:14*

### Class news

#### Cherry Class

Well done to Cherry class for leading our Pentecost service on Thursday. Every child remembered their lines and we enjoyed seeing your flame hats and doves. Thank you to Mrs Bokmans for organising the service and Mrs Golding for her beautiful piano playing.

#### Redwood class

Year 3 had a magical time at the Harry Potter film studios this week. The class got to go behind the scenes to learn how to distress clothes, as well as riding broomsticks, visiting platform 9 3/4, walked up Diagon Alley and lots more! The class will be following up the trip with lots of work in class. Thank you to the staff and parents who helped on this trip and Mrs Gloyn for her organisation of this amazing experience.

#### Oak Class

On Tuesday Oak class attended Crucial Crew. This is an innovative and interactive way of delivering personal and safety education messages to Year 6 children and seeks to

encourage model behaviour and good citizenship through active participation in a range of life scenarios, including First Aid, Rail Safety, Personal Health and many other areas.

### Project HOPE

Thank you for your responses to the item in our last newsletter regarding our School Council charity seed planting for Africa. It is great to hear (and see!) how our budding gardeners are getting on.

Peter's chilli plants

Izzy's tomato plants

### Headteacher Awards

This week Eady in Year 4 treated the class to an 'Anglo Saxon Life' Powerpoint that she had prepared at home. We enjoyed seeing the different fashion and housing options available to those living during the AD400s.

### Values assembly

This week the school considered the importance of Trust. We looked at examples of when we put our trust in others and how reassuring it is to find people who we can trust entirely.

One pupil suggested that we sometimes put our trust in people we don't know, such as

the manufacturers of Lego who provide us with the instructions to make the perfect model...so I thought we'd let them know. We were very excited that they wrote back to us!

*I think your values system is a really good idea to help children express themselves and open up and learn about a wider scale of subjects, education really is key and actually one of the main philosophies within our toys is to combine it with learning.*

*Please also pass on a big hello to the little builder and thank him for his kind words!*

## Summer Term News

Week ending 9<sup>th</sup> June

### PGL 2017

A big **WELL DONE!** to those children who went to Caythorpe Court PGL just before half term. Time away from home can be fun, but also challenging, particularly when there are lots of tricky pursuits being encountered for the first time and you are getting less sleep than usual! The group behaved very well and showed determination and courage in all of the activities. Thank you to Mrs Tjong and Mr Williams for keeping everybody safe and joining in with the fun!

### Neat and Tidy

A gentle reminder in relation to uniform... Please can children have their school PE kit in school every day - white T-shirt, white socks, navy shorts and plimsolls or trainers with good grip. Only plain stud earrings should be worn to school and these should be removed for PE unless families provide tape to cover them. Hair must be tied back at all times and, with summer and Sports Day in mind, a sun hat (named) is a useful addition to PE bags.

Thank you

### Office news

#### Christian Aid

Thank you for your donations again this year. As a school we raised £68.62 and the total collection for Woolmer Green Parish was £2029.10.

#### Sports Day

Preparations for Sports Day are well underway and classes are enjoying devising and practising their novelty events. A list of events and the running order for the day will be sent out next week. Please send back your picnic letters as soon as possible if you have not done so already.

#### Parking

Please can we remind parents that they should not use the staff car park at any time during the school day.

### Headteacher's Tea Party

We have only one more tea party to look forward to this academic year but it has been such a motivating reward that I'm sure the children will want this to continue next year. Well done to those who joined Mrs Martin for cakes and a chat about their good work on Wednesday afternoon.

### First impressions

Once again, Mrs Allen has spent time digging and planting and the entrance to the school is looking so welcoming - Thank you!

### Summer fruits

Our cherry tree (by the astro turf area) has quite a lot of fruit developing. We do not however encourage the pupils to try to pick or eat them.

#### What's On

W/c 12.6.2017	Cycling Proficiency Yr 6
13.6.2017	Reception / Yr1 Trip
14.6.2017	District Sports
16.6.2017	Ice Cream Friday
21.6.2017	Sports Day and family picnic.
