Governor Category - what do they mean?

As the table above indicates, we have several different categories of Governor. As a church

school, many Governor positions are held by representatives of the church either through the Diocesan Board of Education (DBE) or the Parochial Church Council (PCC). This is a requirement for all church schools. Mrs Martin and Rev'd David Munchin both sit automatically on our Governing Body, as Headteacher and Incumbent respectively. We also have two parent Governors, Neil Gammon and Rachel Stringer.
